THE HOLIDAY MAGAZINE

Welcome to The Holiday Magazine. I'm Mike Pickup, a London-based freelance journalist and photographer working for newspapers and magazines. I created this website as an additional outlet for my own work and that of many others.

The magazine publishes great reviews, all written from first-hand experience. It covers destinations around the world as well as ocean and river cruising, and accommodation. If you're interested in contributing a feature, please check out the [guidelines](#). You can meet the other contributors [here](#) and read more about me [here](#).
